FACULTY

COURSE DIRECTOR
Daniel Oh, M.D.
Assistant Professor of Surgery
Division of Thoracic Surgery
Department of Surgery
Keck School of Medicine of USC

GUEST FACULTY
Kazuhiro Yasufuku, M.D.
Associate Professor of Surgery
University of Toronto
Director, Interventional Thoracic Surgery Program
Division of Thoracic Surgery, Toronto General Hospital
University Health Network
Toronto, Canada

KECK SCHOOL OF MEDICINE OF USC
Alex Balekian, M.D.
Assistant Professor of Medicine
Division of Pulmonology
Department of Medicine
Ching-Fei Chang, M.D.
Assistant Professor of Medicine
Division of Pulmonology
Department of Medicine
Eugene Chung, M.D., Ph.D., J.D.
Assistant Professor of Radiation Oncology
Department of Radiation Oncology
Barbara Gitlitz, M.D.
Associate Professor of Medicine
Division of Medical Oncology
Department of Medicine
Jeffrey Hagen, M.D.
Associate Professor of Surgery
Chief, Division of Thoracic Surgery
Department of Surgery
Chris Lee, M.D.
Assistant Professor of Radiology
Department of Radiology
Jorge J. Nieva, M.D.
Associate Professor of Clinical Medicine
Division of Oncology
COURSE DESCRIPTION

*Lung Cancer in 2015: A Multidisciplinary Update* is designed to give a unified and concise update on the current multidisciplinary approach to patients with lung cancer. Faculty from different specialties within the USC Lung Cancer Program at the Keck Medical Center and USC Norris Comprehensive Cancer Center will review the latest recommendations, best practices, technological innovations, and novel diagnostic and therapeutic options to allow state-of-the-art management of lung cancer patients. New for this year, an internationally renowned specialist in lung cancer and developer of endobronchial ultrasound, Dr. Kazuhiro Yasufuku from Toronto General Hospital, participates as guest faculty. In addition, a hands-on session gives the practitioner an opportunity to gain familiarity with the use of novel bronchoscopic techniques used in lung cancer and other lung conditions.

EDUCATIONAL OBJECTIVES

By the end of the course, participants will be able to:

- Recognize revised lung cancer staging system and its implications for management.
- Interpret the new international terminology used for lung adenocarcinoma.
- Apply the results of the National Lung Screening Trial and incorporate lung cancer screening in practice for high risk individuals.
- Implement a multidisciplinary approach to the management of pulmonary nodules.
- State rationale of mediastinal staging in work up of newly diagnosed lung cancer.
- Recognize the new surgical technique of robotic lung resection.
- Identify the nuances of managing stage IIIA N2 lung cancer.
- State the role of stereotactic radiotherapy and thermal ablation for lung cancer.
- Illustrate personalized systemic therapy with both biologic agents and conventional chemotherapy.
- Implement new genetic tests used in lung cancer management.
- Use novel bronchoscopic techniques in the diagnosis and treatment of lung cancer.

TARGET AUDIENCE

This course is intended for physicians, surgeons, nurse practitioners, physician assistants, nurse navigators and trainees whose practice includes lung cancer patients. Specialties that will be appropriate include internal medicine, family practice, pulmonology, medical oncology, radiation oncology and thoracic surgery and allied health professionals interested or involved in the management and treatment of lung cancer.

Accreditation Statement

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Credit Designation

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 8.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Tuition: Early bird registration closes April 13, 2015, noon P.S.T. Tuition includes continental breakfast and lunch.

- $100 MD, DO
- $75 Nurses, Allied Health Professionals

After April 13, 2015, noon P.S.T. register on site.

- $125 MD, DO
- $100 Nurses, Allied Health Professionals

Cancellation Policy: Registration cancellations must be received by the USC Office of CME (fax or email) by April 13, 2015, 4:00 PM P.S.T. for a refund of tuition to be issued. A $25 cancellation fee will be applied. USC will not refund any travel costs incurred.

In the event of course cancellation by conference organizers, all registration fees will be fully refunded. USC will not refund any travel costs incurred.

Location: Westin Pasadena: 191 N. Los Robles Avenue, Pasadena, CA 91101
Telephone Number: (626) 792-2727

Parking: Hosted self-parking. Valet parking is $16. Entrance is off of Union Street at Los Robles Avenue

Register:
Mail: 1540 Alcazar Street, CHP 223, Los Angeles, California 90033
Online: www.usc.edu/cme, scroll down to Lung Cancer in 2015
Phone: (323) 442-2555 | Fax: 1-888-665-8650
Onsite: On April 18, foyer of Fountain Ballroom on the 2nd floor of the Westin Pasadena
