Young Investigator Travel Awards
ISBRA/ESBRA 2016 World Congress

The 11th International Symposium on Alcoholic Liver and Pancreatic Diseases and Cirrhosis (ISALPD/C)
“Emerging Therapeutic Targets”
Berlin, Germany, September 2-3, 2016

The NIAAA-funded travel award ($1,500 via R13 AA020691) supports young US scientists for poster or/and selected oral presentations on topics related to “Emerging therapeutic targets for alcoholic liver and pancreatic diseases and cirrhosis.”

Eligibility Criteria

- Studying or working in laboratories of investigators in the U.S.A. with legal status for at least one year;
- Must be early in their careers, such as PhD or MD students, postdocs, scientists, clinical fellows, or residents, junior faculty without funding who are conducting basic or clinical research relevant to the symposium theme;
- Should be the first author on an abstract submitted to the symposium;
- Collaborative research will be valued;
- Upon selection, should register for the congress and present a poster and/or short oral summary.

Application

- E-mail CV to: Sean.Kohlmeier@med.usc.edu.
- Indicate on an abstract that it is for ISALPD/C travel award application.
- Submit an abstract under “Alcohol-Induced Organ Damage” category per the ISBRA/ESBRA2016 instructions: (http://www.isbra-esbra-2016.org/index.php/submission-of-abstracts/articles/instructions-for-abstract-layout.html)

Deadline for Application: March 1, 2016
