July 14, 2015
Lecturers: Larissa Rodríguez, MD Program Director, Dr. Begum Ozel, MD Associate Director, and all FPMRS Faculty

July 21, 2015
Lecturer: Begum Ozel, MD
Topic: Anatomy and physiology of the pelvic floor

July 28, 2015
Lecturer: Christina Dancz, MD
Topic: Physical exam of the Patient with Pelvic Floor Disorders and POP-Q

August 4, 2015
Lecturer: Larissa V. Rodríguez, MD
Research Didactic Lecture: Outcome Measures in Pelvic Floor Disorders
Research Update: Research fellows to present research subject and objectives

August 11, 2015
Lecturer: David Ginsberg, MD
Research Didactic Lecture: How to write and review a scientific manuscript
Research Update: Research fellows to present project update

August 18, 2015
Lecturer: Eileen Johnson, PT, DPT, WCS
Topic: Evaluation, treatment and outcomes of physical therapy for pelvic organ disorders: urinary and fecal incontinence, pelvic pain

August 24, 2015 - Monday
Journal Club @ UCLA-Napa Grill
Facilitator: Ja-Hong Kim, MD
Associate Clinical Professor of Urology
Division of Pelvic Medicine and Reconstructive Surgery
UCLA School of Medicine

September 1, 2015
Lecturer: David Ginsberg, MD
Topic: Neurophysiology of the urinary tract

September 8, 2015
Multi-disciplinary Defecatory Disorders Conference
Lecturer: Andreas Kaiser, MD
Topic: Surgical management of fecal incontinence

September 15, 2015
Faculty Meeting: Fellow and Program Review- No Fellows....

September 22, 2015
Lecturer: Salpi Salibian, PA
Topic: Diagnosis and Conservative treatment of genitourinary pain disorders: vulvodynia, vestibulitis, and Painful Bladder Syndrome

September 29, 2015
Morbidity and Mortality Conference
Fellow 2: Shilo Rosenberg, MD
Topic: Evaluation and Treatment of Female Sexual Dysfunction

October 2, 2015-Friday-Urology Grand Rounds-7:30am-NTT-7409
Lecturer: Larissa Rodriguez, MD
Topic: Stressing About the Bladder: Neurovisceral Interactions in Persistent Pelvic Pain Syndromes

October 6, 2015
Lecturer: Rebecca Nelken, MD
Topic: Pessary and conservative management of Pelvic Floor Disorders

October 9, 2015-Urology- Morbidity and Mortality

October 13, 2015
AUGS- No lecture

October 16, 2015-Friday-Urology Grand Rounds-7:30am-NTT-7409
Lecturers: Eileen Johnson, PT, DPT, WCS, Aimee Diaz PT, DPT, ATC, SCS and Daniel Kirages DPT, OCS, FAAOMPT
Topic: Physical therapy for pelvic floor dysfunction: A conservative approach to care

October 20, 2015
Lecturer: Larissa Rodriguez, MD
Research Didactic Lecture: Research Study Design
Research Update: Research fellows to present specific aims and methodology
Weekly Didactic Sessions Academic Year 2015-2016
Tuesday 7am – USC Urology Conference Room

October 23, 2015 – Friday
Urology Grand Rounds 7:30am – NTT-7409
Lecturer: Possible FPMRS Faculty Candidate
Topic: TBD

October 27, 2015
Lecturer: David Ginsberg, MD
Topics: Management of spinal cord injury and neurogenic bladder

October 30, 2015 – Friday
Urology Grand Rounds 7:30am – NTT-7409
Lecturer: Chang
Topic: Neurogenic underactive bladders caused by conus medullaris/cauda equina injuries

November 3, 2015
Lecturer: Fellow 1: Renee Rolston, MD
Topic: Diagnosis and treatment of vaginal cysts, lesions, and masses

November 10, 2015
Lecturer: Begum Ozel, MD
Topic: Diagnosis and treatment of posterior wall prolapse

November 17, 2015
Journal Club
Facilitator: Christina Dancz, MD

November 24, 2015
Lecturer: No Lecture

December 1, 2015
Lecturer: David Ginsberg, MD
Topics: Treatment of Overactive Bladder: pharmacology, neuromodulation and surgical treatment

December 8, 2015 – 5:30pm
Multi-disciplinary Conference for Defecatory Disorders
Lecturer: Kyle Cologne, MD
Topic: Rectovaginal Fistulas

December 15, 2015
Morbidity and Mortality Conference

January 5, 2016
Faculty Meeting: Mid-year Fellow and Program Evaluations
Weekly Didactic Sessions Academic Year 2015-2016

Tuesday 7am – USC Urology Conference Room

January 12, 2016
Lecturer: David Ginsberg, MD
Topics: Role of urodynamics in the diagnosis of urinary incontinence (vlpp, upp, DO, etc.): theory and case studies

January 19, 2016
Lecturer: Postponed
Topics: Postponed

January 26, 2016
Lecturer: J. Pablo Lewinger, PhD/Mariana Stern, PhD
Research Didactic Lecture: Research Power Calculation
Research Update: Research fellows to present project update

February 2, 2016
Lecturer: Renee Rolston
Lecture: Management of recurrent urinary tract infections

Monday, February 8, 2016
Topic: Multi-institutional Case Management Conference
USC/UCLA/LAC+USC, UCLA Harbor

February 16, 2016
Lecturer: Larissa Rodríguez, MD
Topic: Primer to grant writing

February 23, 2016
Lecturer: Christina Dancz, MD
Topic: Diagnosis and treatment of stress urinary incontinence

March 1, 2016
Journal Club
Moderator: David Ginsberg, MD

March 8, 2016
Lecturer: Rebecca Lane Nelken, MD
Topic: Management of genitourinary complications of vaginal delivery
or
Lecturer: Begum Ozel, MD
Topics: Surgical management of the vault: transvaginal vs. abdominal vs. robotic

March 15, 2016
Lecturer: Larissa Rodriguez, MD
Topics: Diagnosis and management of vesicovaginal and urethrovaginal fistulas
Week 1

March 22, 2016
Faculty Meeting: Fellow and Program Evaluation

March 29, 2016
Multidisciplinary Conference for Defecatory Disorders
Lecturer: Kyle G. Cologne, MD
Topic: Etiology and treatment of rectovaginal fistula

April 5, 2016
Morbidity and Mortality Conference

April 12, 2016
Lecturer: Fellow 1
Topic: Congenital genitourinary anomalies

April 19, 2016
Lecturer: David Ginsberg, MD
Topic: The role of urinary diversion in FPMRS

April 26, 2016
Lecturer: Claire Templeman, MD
Topic: Diagnosis and management of chronic pelvic pain/Endometriosis

May 3, 2016
Lecturer: Fellow 2
Topic: Epidemiology of pelvic organ prolapse including racial variation

May 10, 2016
Lecturer: Begum Ozel, MD
Topic: Hysterectomy and uterine sparing surgeries in uterine prolapse

May 17, 2016
Lecturer: Christina Dancz, MD
Topic: Management of anti-incontinence complications

May 24, 2016
Lecturer: J. Pablo Lewinger, PhD/Mariana Stern, PhD/Susan Groshen
Topic: Biostatistics and Clinical Studies

May 31, 2016
Multidisciplinary Conference for Defecatory Disorders
Lecturer: Gregory E. Idos, MD
Topic: Management of Chronic Constipation
June 7, 2016
Faculty Meeting: Fellow and Program Evaluation and Improvement

June 14, 2016
Morbidity and Mortality Conference

June 21, 2016
Research Thesis Presentation

June 28, 2016
Program Evaluation Committee: Annual Program Evaluation
