Dear USC Visiting Student,

I would like to extend a warm welcome to the USC Health Science Campus. The Eric Cohen Student Health Center of USC (EC SHC) will process your health clearance paperwork to help you gain compliance for your clerkship.

1. Please fill out the attached AAMC immunization form.
   - Serologic immunity results are required for measles, mumps, rubella, hepatitis B and varicella. **Proof of immunization is not sufficient.** Please attach the full lab results of the titer tests. For example, in the MMR section, you must complete option 2 and provide full copies of the serologic immunity.
   - For the tuberculosis screening section, you must have one of the following tests. **Please make sure that your test results (valid for one year) will not expire while you are at USC.**
     - Two TST (PPD) tests within 364 days of your start date with USC.
     - OR
     - One IGRA test (either Quantiferon or Tspot) within 364 days of your start date with USC. Please include full lab results.
       - Chest X-rays will only be accepted if you have record of a positive TST (PPD) or IGRA test. If you are submitting a chest x-ray, please make sure it was done within 364 days of your start date with USC.

2. Please fill out the highlighted areas of the attached LA County Employee Health Services E2 form.

If you have any questions, please contact the health clearance line at 323-442-5980 or contact the visiting students’ coordinators Roxie Solano or Bobby Cong by email at rsolano@usc.edu or bcong@med.usc.edu with subject title “Visiting Student”.

If you would like to complete your health clearance requirements (i.e. blood tests, TB tests, etc.) at our health center, please visit [http://ecoehenshc.usc.edu/health-clearance/prices/](http://ecoehenshc.usc.edu/health-clearance/prices/).

Although our time with you will be short, we hope to be of service to you.

Fight On!
