LARYNGEAL VIDEOSTROBOSCOPY AND FEES WORKSHOP
JANUARY 27-28, 2017
LOS ANGELES, CALIFORNIA

COURSE DESCRIPTION:
This course will include didactic and laboratory sessions. There will be 5 hours of guided hands-on practice time in small groups. Participants will have the opportunity to practice interpretation of videostroboscopy and FEES.

LEARNING OBJECTIVES
- Participants will distinguish the appropriate application of laryngeal imaging for diagnosing voice disorders and FEES for the diagnosis of dysphagia with its use in treatment planning.
- Participants will demonstrate endoscope management, universal precautions, and safe use of topical anesthetic
- Participants will develop basic endoscopic techniques for use of the rigid and flexible endoscopy.
- Participants will develop an introduction - intermediate level skill of interpreting laryngeal imaging examinations and FEES.

TARGET AUDIENCE
A hands-on workshop for Otolaryngologists and Speech Language Pathologists who are interested in performing laryngeal videostroboscopy and FEES.
This course is offered for 1.0 ASHA CEUs (Intermediate level; Professional Area)

CONFERENCE LOCATION

The conference will be held at USC Voice Center, Keck Medicine of USC, 830 South Flower St., Los Angeles, CA 90017.
