## Who should attend:

- ✓ All faculty and/or investigators who are developing a research grant proposal.

## When are the meetings?

- ✓ We recommend that you join as early as possible on the roadmap but you may join at any point along the way once you identify your funding opportunity.

## What should you bring?

- ✓ Research Strategy & Specific Aims. You are expected to attend multiple sessions and to bring improved drafts to each session as this is part of the grantwriting process.
